Pre-Gamification Audience

“ Gamification of a training program entails using the Game Constructs in harmony with the Learning Artifacts to transform the learning experience into a Learning Adventure.

- SRA -

Gamification of trainings leads to the following:

- Heightened Interactivity
- Enhanced Competitiveness
- Harnessing of Emotions
- Sense of Achievement
- Longer Attention Spans
- And more...

For the above reasons, it makes gaining learning faster and retaining it easier.

Post-Gamification Audience

Creative Agni's 2-day Gamification of Trainings (GoT) workshop accomplishes the following.

1. Creates a firm grounding of the **Gaming Framework** in the minds of its participants.
2. Empowers the participants to use the **Gaming Framework** and the **Game Elements** to make their training programs more fun, engaging, and effective, by enhancing their instructional effectiveness.
3. Enables the participants to quickly establish their **Gamification Strategy** for a training program, confidently and correctly.
